

IMPROVE YOUR LANGUAGE SKILLS

Practice Listening

Top 5 Ways to Practice Listening

1. Simply press play and take any of our audio or video lessons
2. Listen to the dialog track only to immerse yourself in the target language. This is a great way to see how much you understand!
Hint: Listen to one dialog 5x a day for optimum exposure.
3. Download completed lessons or dialogue tracks and create a playlist that you can review on repeat.
4. Take the Listening Comprehension Lessons that quiz you on how well you understand the dialogue.
5. Request Listening Assignments from your **Premium PLUS teacher**.

Practice Speaking

Top 5 Ways to Practice Speaking

1. Shadow – listen and repeat – the lesson dialog that you hear in every lesson.
2. Read the lesson dialog – found in the Dialog section and Lesson Transcript – out loud.
3. Record yourself with the **Voice Recorder** – found in the Dialog section – to compare your speaking and pronunciation with native speakers’.
4. Record voice messages and send them to your **Premium PLUS teacher**, via the **MyTeacher tool**, to have your speaking analyzed and corrected.
5. Request Speaking Assignments from your **Premium PLUS teacher**.

Practice Writing

Top 5 Ways to Practice Writing

1. Copy out the lesson dialog by hand.
2. Write a comment in the lesson’s comment section using the words and grammar you’ve learned. Our teachers will respond with feedback.
3. Create sentences with the new words you learn with the **Word of the Day**, Vocabulary Lists or the Core 100-2,000 Word Lists.
4. Dictation: Write down the dialog as you hear it while playing an audio or video lesson.
5. Send samples of your writing to your **Premium PLUS teacher**, via the **MyTeacher tool**, to get feedback and corrections!
Hint: Users’ are asked to send in a 1-paragraph self-introduction to get started.

IMPROVE YOUR LANGUAGE SKILLS

Practice Reading

Top 5 Ways to Practice Reading

1. Take the Reading Comprehension Video Lessons that quiz you on the text presented in real-world situations.
2. Read along with the Dialog or Lesson Transcript when you take an audio or video lesson. You'll simultaneously improve your listening skills as well.
3. Save the Lesson Transcript and Lesson Notes as PDFs, print out, and review at a later date.
4. Set a goal of reading a dialog five times per day. Why? Repetition is the mother of all learning, so your reading will only get better.
5. Request Reading Assignments from your **Premium PLUS teacher**.

Learn New Words

Top 5 Ways to Learn New Words

1. When taking an audio/video lesson, review the key vocab for that lesson in the Vocab Section.
2. Sign up for the **FREE Word of the Day** and get new words delivered to your inbox daily.
3. Learn words and phrases based on themes, holidays and real-life topics with the **Free Vocabulary Lists**. Always updated!
4. Save newly learned words and access them all in one place with WordBank for future review.
Hint: Save words from Vocab Lists, Core Word Lists, WordBank and Audio/Video Lessons to the WordBank.
5. Learn words fast with Spaced Repetition Flashcards that sort the words and quiz you so that you never forget them
Hint: Create Flashcard Decks from words found in the Vocab Lists, Core Word Lists, WordBank and Audio/Video Lessons.

Learn New Grammar

Top 5 Ways to Learn New Grammar

1. **Listen to Audio lessons.** With every conversation presented, you learn the grammar rules that are used in the lesson.
2. **Search for the Grammar Point.** Use the Advanced Search to find lessons that contain the specific grammar point you're after.
3. **Access the Grammar Bank.** Unlock detailed write-ups covering 100+ grammar points;
4. **Use Learning Paths** to access courses that are specifically dedicated to improving your Grammar.
5. Request Grammar Assignments from your **Premium PLUS teacher**.
